A Tale Of Empty Pockets  
\*\*\*\*\*

The day had begun just  
as any other might. A  
yawn, a stretch, an eye  
booger?.. No, there was  
surely more important  
things to pick.

It had been many moons  
since I had fondled my  
way past Lady Ivy and  
into the ranks of UWF  
and my routine would  
remain unchanged.  
Kal Ort Por..

\*You See Gorrow the  
Mayor... Of Luna\*

No one at the stables..

\*Pitter patter... my tiny  
feet moved quickly\*

Ah! What is this  
treason!?!.. Oulo?! Here??  
At MY bank?

My mind raced...

\*Had he paid his  
taxes?\*

I thought not...

I crept towards him..

Oulo "Selling Void Infused  
Kilt!"  
He shouted with Vigor!

Shurley he wouldnt mind  
me having a look..

I mosied alongside and  
took a peek into his  
rucksack..

Uninsured? ..I crapped my  
pants..

I waste no time as I  
reach out and grab my  
prize!

Victory is mine.

Thank you Oulo for  
your contribution!
